Two Lives Saved.
Mrs. Phoebe Thomas, of Junction
City, Ill., was told by her doctors she
had Consumption and that there was
no hope for her, but two bottles of Dr.
King's New Discovery completely cured
her and she says it saved her life. Mr.
Thos. Eggers, 129 Florida St., San
Francisco, suffered from a dreadful
cold, approaching Consumption, tried
without result everything else then
bought one bottle of Dr. King's New
Discovery and in two weeks was cured.
He is naturally thankful. It is such
results, of which there are samples,
that prove the wonderful efficacy of
this medicine in Coughs and Colds.
Free trial bottles at W. H. Styer's Drug
Store. Regular size 50c. and \$1.00.

Taken under medical direction, in con-
nection with the right medicine, they
will help effect a cure. No women who
suffer at all from so-called "female weak-
ness" should attempt athletics of any
sort. She should first put herself into
possession of strong and hearty health by
taking Dr. Pierce's Favorite Prescription.
After she is thoroughly well, exercise and
diversion will help to keep her well. The
cure should come first. Dr. Pierce's Fa-
vorite Prescription is designed and rec-
ommended for only the one thing. It
acts directly upon one set of organs. No
matter what is the matter with them, it
will cure it. It will not cure anything
else. It is a wholesome tonic, an invig-
orating nerve, or nerve-food as well as
a healing medicine, and thousands of
perfectly well women have found that by
taking it regularly during the period of
pregnancy, the danger and pain of par-
turbation were much lessened, and in
many cases, almost entirely obviated.

In every American household, there should be
a copy of Dr. Pierce's great work, "Common
Sense Medical Advice," 100 pages, illustrated.
One copy free to any address on receipt of 21 one-
cent stamps to pay for mailing only. World's
Dispensary Medical Association, Buffalo, N. Y.
